Cambridge	SportsPark North & South	16-22(TBD)	1 per underage participant, no sibilings	1 - Trainer\Hockey Mom	CrGHA - 3, typically 2 coaches & 1 Trainer	11 Total players per team	Restaurant - socially distanced as paying customers, see note, some ice side standing room spaces may be made available	Yes for Trainer		Teams to hand in Contract tracing sheet for ALL Participants. Each first time participant needs to have the Buckingham Sports COVID-19 Acknowledgment sheet completed and signed once prior to their 1st time time entering the building. http://esportsdesk.com/media/leagues/6583/graphics/PDF/Protocls% 20Update%20Arena_Youth%20-%20Effective%20Sept% 20_7_202.pdf http://esportsdesk.com/media/leagues/6583/graphics/PDF/Buckingham% 20Release.pdf	Obvioulsy big challenge here is specators as we just don't have the space. Now that the restaurant is open it helps a little but it is for paying customers only and we only have limited space for seating. Most of your ice is on the South Rink which helps as we can about 16 people seating along the glass, properly social distanced. Pare can not be moving chairs around, they must sit in the designated spaces so perhaps a system would have to be set up with both teams of where spectators can sit. I may be able to make it work where we allow a few more people to watch at ice level to potentially accommodate 1 specator per player. However the spectators can only come in at game time and must go directly out to the rink area, they can not gather in the hallway downstairs or dressing room. This accommodation would only be made for games, practices would be the same protocol. With the increasing numbers in Ontario, staff are very concerned about the number of people permitted in the building so I need to create a safe environment for all. We will need the support of the Roadrunners organization to ensure protocols are being followed so educating teams ahead of time definitely helps.
